"Tested Agency from Catarrh."

Prof. W. HARNER, the famous mesmerist,  
of Ilaca, N.Y., writes: "For two years past I  
suffered severely from Catarrh, and was unable to  
sleep dry; my physician gave me no relief  
whatever, and said I must die. My case was  
such a bad one, that every day, towards sunset,  
my voice would become hoarse, and I could  
not speak without a strain. In the morning  
I could not speak at all; the throat would  
almost shut up. By the aid of Dr. Sage's  
Catarrh Remedy, in three months, I was a well  
man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. BRUNTON, Esq., 2922 Pine Street,  
St. Louis, Mo., writes: "I was a total sufferer  
from catarrh for three years. At times I could hardly  
breath, and was constantly hawking  
and spitting, and though the effects were not  
so bad as to make me sick, I thought  
nothing could be done for me. Lastly, I was  
advised to try Dr. Sage's Catarrh Remedy, and  
I am now a well man. I believe it to be the  
only sure remedy for catarrh, and I can  
assure you that no one has only to give it a fair trial to  
experience astounding results and a permanent  
cure."

A complete Treatise on Catarrh, giving valuable  
hints as to clothing, diet and other matters  
of importance, will be mailed, post-paid, to any  
address, on receipt of a two-cent postage stamp.
